

Bereaved by Suicide ' WAVES' An informative support group

This grief support and education group is for adults 17+ who have been affected by the suicide of someone they know.

The group offers a safe space to:

- share thoughts and feelings around what has happened
- discuss the nature of suicide
- gain information and ideas about how to care for oneself and others, including children and young people, after a suicide

The group of 4-8 people is facilitated by trained counsellors at Grief Support Services and runs over 8 weeks. We are taking registrations for the October group.

Feel free to ring or email if you want to know more about the group. Registration is required to attend. No charge.
