

Do you have some spare time and a desire to volunteer and help out?

We are looking for someone to join our team as the person who helps us keep the place clean and tidy. This would involve vacuuming our hallway, stairs, staff room and main office; cleaning two toilets and basins and the small kitchenette. It takes about 1 ½ hours and whether this is done weekly or fortnightly is negotiable. You would be part of a supportive team and you would be appreciated!

If you have motivation, pride in your work and enjoy making a difference in the community please contact Denise Carroll on 578 4480 or email admin@griefsupport.org.nz by 30 October.
